

# Analysis Report

**Client Details:**

**Key Rentals Ltd**

**Nuron Commercial Division Ltd**

Date: 9/02/2017

**Test Location:** 22 A Ruawai Road, Mt Wellington, Auckland,

We would like to advise you the analysis of the samples at the above address on 7/2/17 showed traces of Methamphetamine but these traces do not exceed the Ministry of Health's Guidelines.

Please refer to the Field Sampling Technician's report and analysis report from Analytica Laboratories for further information.

We would like to thank you for choosing Meth Testing NZ to assist in testing the property for methamphetamine. If you would like any further information, please don't hesitate to contact us.

Kind regards

Nathaniel Hamilton  
Managing Director
